WARRANT

To the inhabitants of the Town of Temple in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Ninth Day of March next, at ten o'clock in the morning, to act on the following subjects.

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2: To cast your ballots for the election of such officers as may be required by law to serve the Contoocook Valley School district for the ensuing year.

THE POLLS SHALL OPEN AT TEN O'CLOCK IN THE MORNING, AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the Temple Elementary School in said Temple, on Saturday, the Thirteenth Day of March next, at ten o'clock in the morning, to act on the following:

Article 3: To see if the Town will vote to raise and appropriate the sum $1,164,883.00 for town charges and other necessary maintenance and operating expenditures. (Selectmen recommend)

Article 4: To hear the reports of agents, auditors, and committees or officers heretofore chosen and to any vote relating thereto.

Article 5: To see if the Town, pursuant to RSA 79-A:25; will vote to place 10% of the revenues of all future payments collected pursuant to RSA 79-A into the conservation fund which was previously created in accordance with RSA 36-A. (By petition) (Selectmen oppose 2 to 1)

Article 6: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand dollars ($20,000.00), to create a Capital Reserve Fund for the purpose of renovation and restoration, including an addition, of the Temple Town Hall, and further to appoint the Selectmen, as agents for this fund. (Selectmen recommend)

Article 7: To see if the Town will vote to authorize the Board of Selectmen to appoint a Capital Improvements Committee pursuant to RSA 674:5, which shall include at least one member of the Planning Board and may include but not be limited to other members of the Planning Board or the Town Governing Body, to prepare and amend a recommended program of municipal capital improvement projects projected over a period of at least 6 years. (Selectmen recommend)

Article 8: To see if the Town will vote to raise and appropriate the sum of Three Thousand dollars ($3,000.00) for the purpose of funding a Capital Improvements Project. (Selectmen recommend)

Article 9: To see if the Town will vote to raise and appropriate the sum of Four Thousand dollars ($4,000.00) for the purpose of purchasing a water softener for the Temple Municipal Building. (Selectmen recommend)

Article 10: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Five Hundred dollars ($7,500.00) for the purpose of purchasing a lawn mowing machine and attachments. (Selectmen recommend)

Article 11: To see if the Town will vote to raise and appropriate the sum of Ten Thousand dollars ($10,600.00) for the purpose of purchasing a Highway sander. (Selectmen recommend)

Article 12: To see if the Town will vote, pursuant to RSA 669:17-b, to discontinue the elected office of Road Agent effective March 8, 2005 and to authorize the Board of Selectmen to appoint, for an indefinite term and under the guidelines of the Temple Human Resources Manual, pursuant to RSA 231:64, an Expert Road Agent. (Selectmen recommend)

Article 13: To see if the Town will vote to extinguish any well water rights the Town may have and to authorize the Selectmen to execute any documents necessary to extinguish any rights the Town may have to draw water from the well located at 23 Hadley Highway, Map 07 Lot 017, and to take any necessary action to carry out the extinguishments of these rights. (Selectmen recommend)

Given under our hands and seal this 10th day of February in the year of our Lord, Two Thousand and Four,

Under Governmental Accounting Standards Board (GASB) 34 regulations, towns are now required to show accumulated vacation and sick leave payables to employees on their books. The following accounts were affected in 2003, and increased due to this regulation. Town Administration $6,084; Police Dept. $6,989; Highway Dept. $12,850.

SELECTMEN'S REPORT 2003

For the Select Board, 2003 was a year of strengthening Temple's municipal, "household" foundations. The Board focused on the six areas described below.

• **Select Board office:** Important work continued on organizing and protecting old and current records. Staff tracked their office tasks and hours with an eye towards composing an office-operating manual. Floors were renovated with ceramic tiles and fresh carpets.

• **Select Board team:** New Selectman Tedd Petro asked many good questions that helped all three members examine tasks and processes in fresh ways. Two members completed a training, spanning six months, in local government leadership at the New Hampshire Selectperson Institute. All Board members and staff attended numerous workshops and special meetings that increased understanding and skills in a wide range of areas such as budget planning, payroll systems, employment law, municipal ethics, ambulance services, recycling issues, conservation planning, smart growth, welfare management, and others. Select Board members worked on improving teamwork and efficiency through division of labor, clear communication, advance planning, highlighting tasks in the minutes, and delegating projects to volunteers when possible.

• **Select Board Meetings:** The Board has taken further steps to keep citizens informed and help them feel welcome and involved in meetings. Agendas are posted at the Town Office and submitted to the Temple website by the Friday five days before each regular meeting. (Extra thanks to Webmaster Steve McRae.) Meeting attendees are invited to follow the agenda, offer questions and comments, and contribute to a mood of respectful listening and discussion. The Board will continue to nurture this kind of congenial, civic discourse and cooperation towards common, community goals. They ask for your feedback and suggestions on how these efforts are working.

• **Town boards and employees:** The Select Board has made new appointments to several boards and commissions, as printed in this report, with the intention of supporting the best efforts of these groups. The Board has worked closely with the Budget Advisory Committee this year and appreciates the resulting improvements in budget clarity and presentation. Board members look forward to similar cooperation with the Planning Board in implementing new Master objectives and revising the Zoning Ordinance in 2004. The Board continues to work on balancing employee health insurance needs and rising costs with appropriate salary raises. The Board wishes to recognize the fine quality and reliability of Town employees.

• **Buildings and equipment:** "Housekeeping" in this area has included repairs to the plumbing and heating in both the Town Hall and Town Office, the purchase of a new fire tanker, work on the new ball field, and repair of the Town scales. The Board is looking at ongoing maintenance needs and reliable ways to deal with these. The Board gave its support to the Friends of Temple Town Hall for their renovation/improvement plans. Many thanks to the anonymous donor of a "four wheeler" (OHRV) for our Police Department, which has already proved useful in curtailing speeding OHRV's and generating revenue for the Town.

• **Landscape:** Selectperson Fiske led a lively project with many volunteers (thank you Linda Bollinger) to replace the rails on the Common. The State-required perambulation (walking) of the Town's boundaries by the Select Board is underway and will include new mapping. The old farm dump on the Weston Conservation Land was tested, found safe from toxic chemicals, and removed by the Highway Dept. and Conservation Commission. After citizen concern and comments expressed at three meetings, the Board voted to lower some speed limits. Please take your time driving through Town to enjoy our beautiful landscape in the Year 2004.

Respectfully submitted,
Bruce Kantner, Sherry Fiske, Tedd Petro

BUDGET ADVISORY COMMITTEE

At Town Meeting, 2002, taxpayers created the Budget Advisory Committee to "assist the voters...in the prudent appropriation of public funds..." (RSA 32:24). The following six members were elected to the BAC in 2003: Steve Andersen (3 yr. term), Brian Kullgren (3 yr. term), Charlene Eddy (2 yr. term), Rae Barnhisel (2 yr. term), Paul Quinn (1 yr. term), and Chris Nolte (1 yr. term). Meetings were held every 2nd and 4th Wednesday of the month from 7:00 to 9:00 pm at the Town Hall. Minutes are on file at the Library (with attachments) and posted on the Town of Temple's Web site.

The mission of the BAC is to assist the Select Board in preparing the budget; to promote sound fiscal policy within departments based on frugality, common sense, and well-being; standardize the budget process across departments; establish and implement an annual budget preparation schedule based on statutory deadlines and prior experience; investigate and evaluate ways to save the taxpayer money; inform and educate the public on the budget process; be able to provide detailed information on the expenditure of town monies; and advocate change in existing budgeting procedures as necessary.

Formal recommendations to the Select Board included requests to have the complete detailed budget and the BAC's report included in the town's 2004 "Annual Reports;" a copy of the Account Detail provided to the BAC on a quarterly basis with the general statement of accounts and additional detail upon request; a Budget Timeline be established that begins in September for joint meetings with dept. heads and the BAC to discuss the next year's budget; appropriations that are one time or special or exceptional expenditures be presented as warrant articles; BAC assistance in evaluating open competitive bids and other financial matters; and BAC recommendations included with Select Board recommendations in the 2004 warrant for all monetary appropriations. In addition, the BAC requested, in writing, that the Select Board a) refrain from voting to accept funds from a private source that would authorize the Police Dept. to purchase an off-road vehicle and b) that a list of items that were donated in lieu of the originally proposed $10,000 donation be provided to the BAC.

In the past year the BAC has met with the heads of the following departments: Highway, Police, Fire, and Animal Control. A copy of each interview is approved by the department and is available at the library. The BAC established a Budget Timeline that included two public hearings, met twice with Sandra Rourke from the New Hampshire Department of Revenue Administration (DRA), and sent 2 members to attend the annual New Hampshire Municipal Association Budget and Finance Workshop.

Respectfully submitted,
Budget Advisory Committee

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying general purpose financial statements of the Town of Temple, New Hampshire, as of and for the year ended December 31, 2002, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Consistent with most municipalities in the State of New Hampshire, the Town does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial statements.

The Town recognizes property tax revenues on the accrual basis in the General Fund, which is not in conformity with generally accepted accounting principles. Generally accepted accounting principles require recognition of property taxes on the modified accrual basis.

In our opinion, except for the issues discussed in the previous paragraphs, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Temple, New Hampshire, as of December 31, 2002, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Respectfully submitted,
Melanson, Heath & Company, Certified Public Accountants

TOWN FORESTER'S REPORT

For the tax year April 1, 2002 through March 31, 2003, 17 Reports of Wood or Timber Cut were received by the Town. Yield taxes assessed for these harvesting operations totaled $8,654.58. As of February 3, 2004, 6 Intents to Cut have been filed with Town for the current tax year.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs or up to 20 cords of fuel wood for either their own use or for a land conversion. Under these exceptions an individual does not have to file an Intent to Cut form. The tax years runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by April 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by April 15th. At that time, a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90 day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to April 15th. Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, you can contact me through the Selectmen's Office.

Respectfully submitted,
Allan Oxman, Licensed Forester #67

CONSERVATION COMMISSION

With several fresh faces and voices aboard, the Temple Conservation Commission (ConCom) forged ahead with a number of new initiatives during 2003, guided by its basic mission of conserving and protecting the Town's natural resources.

Perhaps the most critical of these efforts is the work accomplished by the ConCom's Open Space Committee, which has completed the first phase of a program designed to: 1. Objectively identify specific tracts of land that, for lack of a better term, might be classified as local natural treasures; and 2. Further prioritize these special lands according to a multi-point checklist that includes such criteria as imminence of development, viewshed, and agricultural use. To date, roughly 16 sites have been identified and prioritized. In some cases, informal discussions between the respective landowners and ConCom members have commenced, with the goal being to protect at least a portion of these lands through conservation easements or acquisition. Typically, these matters take time, often years, yet the first important steps have now been accomplished.

The ConCom has launched a formal, structured program to generate a Natural Resource Inventory, as mandated by state law. As its name implies, this document, now being developed by a graduate student who is also a professional land consultant, will provide a detailed benchmark of the Town's natural resources. Complementing the new Master Plan, it is designed to be a key reference and tool for the ConCom and indeed for all future land-use activities in Temple.

During the past year, the ConCom has been meeting on a twice-monthly basis in order to accommodate a full schedule of activities. These have included an ongoing education program within which speakers have addressed the group on topics ranging from "Is Your Town Farm Friendly?" to an in-depth look at identifying and monitoring wetlands. The ConCom's bylaws received a major tune-up, with new language introduced as necessary, and unwieldy and nonviable verbiage eliminated.

Between early spring and into last fall, ConCom members conducted a number of roadside clean-ups along Gen. Miller Highway, from the center of Town to the Wilton Line, under the auspices of the State's Adopt-a-Highway program.

The Chris Weston Conservation Area got a facelift, including the removal of several years worth of brush and limbs, re-opening grown-in trails, and filling in some of the property's old test-pit holes.

And a final note: This year, for the first time, the ConCom's working budget has been included in the Town Budget. This positive step, taken at the suggestion of the Budget Advisory Committee, brings the ConCom in line with Temple's other land-use boards. Last year expenses for note-taking were already being paid for, out of the Town Budget (though not broken out as a separate line item), while other expenses were covered by the Conservation

Fund. The rationale for reserving the fund even more strictly for land-protection made sense to the ConCom, and we submitted a revised version of our regular operating budget for consideration as a line item. As Temple moves forward in a fast-changing world, the Temple Conservation Commission remains dedicated to preserving Temple's rural character. With the help and continued support of concerned residents, we hope to achieve that objective.

The Conservation Fund began the year with a balance of $18,753.44 on January 1, 2003. During 2003, the Fund received $124,440.00 from Land Use Change Tax which includes $87,000 due from 2001 and 2002, plus $643.42 of interest income. The Conservation Commission had total expeditures for the year of $4,447.28. The ending balance for the Conservation Fund was $138,729.00 on December 31, 2003. All 2003 expenditures include:

$4,000.00 – Temple Mountain appraisal
$26.00 – U.S. Post Office yearly box rental
$38.28 – Clark America for bank checks
$175.00 – N.H. Association for Conservation Commission dues
$48.00 – N.H. Assoc. for Con. Com. manuals for new members
$160.00 – Hubbard and Quinn Title Services for Doyle easement

$4,447.28

The Conservation Commission Fund Financial Report from the Town Treasurer also includes $660.58 from the tax collector that was returned due to a tax rebate.

Respectfully submitted,
The Conservation Commission

TEMPLE RECREATION REPORT 2003

The Recreation Commission worked all of 2003 with only four members. We were able to run our standard programs and appreciate the volunteer help we got from citizens and organizations. We attempt to keep costs under control as much as possible. We are always open to suggestions, but need help implementing some of them.

We meet on an as needed schedule.

Respectfully submitted,
Joe Cournoyer, Chairman Recreation Commission

WILTON/LYNDEBOROUGH/TEMPLE AMBULANCE SERVICE

The year 2004 represents 30 years of service to our communities. We have come a long way since that used Cadillac ambulance was housed in the Wilton Town Hall. Advanced First Aid was the gold standard. There were many stay at home moms back then and we would swap off with each other, taking duty and caring for our children. Time marches on and those same moms went to work but still found time to volunteer and train to the next level, becoming EMTs. They were still able to take duty because of the generosity of their employers allowing them to leave work to serve. We were not very busy back then, having 150 to 200 calls a year. As the towns grew, so have we, answering more calls every year.

In 1982, we became the first service in the area to have EMT-Intermediates. EMT-Is are able to start IVs and deliver some life-saving medications. Ten years later we welcomed our first EMT-Paramedic to the area. Soon there were others and in 1993 we hired our first paid Paramedic/Director. Paramedics were fast becoming the Standard of Care across the USA. A small group banded together and started a volunteer Paramedic Intercept Program, with the blessing of our Medical Resource Hospital, St. Joseph Hospital in Nashua. The Paramedics served Wilton, Lyndeborough, Mont Vernon, Amherst, and Brookline. Each service began welcoming their own Paramedics, and with the increased call volume, disbanded to concentrate on our individual communities.

The call volume continued to increase and the need for Paramedic care also increased. We followed other communities in the area and instituted Per Diem Paramedics on April 1, 2002. We now have Paramedic coverage 24/7 to provide Advanced Life Support to our communities.

This past year we answered 406 calls for medical aid and 169 of these at the Advanced Life Support Level.

Thank you to our 36 members with their dedication and continued training make this service outstanding.

Respectfully submitted,
Carylyn H. McEntee, Paramedic/Director

MONADNOCK FAMILY SERVICES

As you know, Monadnock Family Services (MFS) is active in your community, providing quality mental health services to those in need, regardless of their ability to pay. As part of this mission, we feel it is important to let you know the extent of our work, and are pleased to give you the enclosed census report which outlines the services provided to Temple residents during 2002-2003. Over the past year, MFS provided services to over 7,500 adults, children and older adults. 46 of these clients and families were residents of Temple.

Once again, MFS needs your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2002 population estimates from the NH Office of State Planning, we are asking for the equivalent of $1.25 per capita, which for the town of Temple amounts to $1,753.75.

We ask for your continued consideration and support of our request. The cost to MFS to serve the uninsured has increased steadily with more people seeking subsidized services and rising treatment costs. The cost of serving the uninsured and underinsured residents of the Monadnock Region has averaged a half a million dollars annually for the past four years. United Way funds and town subsidies cover about a third of the significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Temple will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

If you have questions, or require more information, a representative from the agency will be happy to speak with you. Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow. Thanks for your consideration.

Mary Seebart, Director, Eastern Region

MILFORD AREA MEDIATION

The Milford Area Mediation Program offers no charge mediation services to residents of the greater Milford area. The funding for this program is generously provided by the New Hampshire Department of Health and Human Services in partnership with Hillsborough County 6% Incentive Fund Program and participating towns. The overall goal of this work is to reduce court involvement for adolescents, reduce domestic conflict involving children, and identify secondary services at reduced or sliding scale rates. By carrying out this goal the program seeks to reduce the time, dollars and resources needed to deal with issues of adolescents. The program has existed for twelve years and provides direct mediation services to residents of Milford and surrounding towns. Any resident seeking to resolve conflict is encouraged to call the office (672-2711) to set an appointment or to gather more information. Although the Milford Area Mediation office is located in Milford, there are several satellite offices where we can meet with clients in outlying towns.

The program focuses on providing family mediation, but also provides other types of mediation such as divorce mediation. Mediation helps solve disagreements in ways that fit the needs and values of each party in the mediation. By uncovering the causes of conflicts, mediation can reduce stress, improve family relations and increase positive communication among family members. Examples of areas of conflict that families have turned to Milford Area Mediation for help in successfully solving include: general family disagreements, adolescent runaways, parenting, school related concerns, adjustments to changes in families, pre-delinquent behavior, teenage independence, responsibility, and truancy.

The program coordinator works to refer and match clients with other agencies, schools and providers in the area. As a result of this intensive work we have been able to provide some unique services to adolescents. We have obtained funding and grants specifically for therapeutic classes, scholarships and reduced rates for counseling services. We have also obtained no charge consultation from a Nashua based licensed social worker. Without this type of community support and belief in our work we would not be able to offer the services we do to area residents.

Through this funding the program delivered mediation services to one hundred and ninety five residents living in: Amherst, Francestown, Greenfield, Greenville, Hillsborough, Milford, New Ipswich, Peterborough and Temple. Of those served, one hundred and three were juveniles and ninety-two were adults. Referrals to the program came from six police departments, four school districts, one district court and several human services agencies. Although the bulk of the mediations are with families, there are couple and divorce mediations as well. This year a family participating in Mediation also gave contributions.

There is no staff at the Milford office other than the Program Coordinator. We believe the funding raised each year should be dedicated to delivering services, not to having a large staff and fancy offices! The volunteer mediators in the program have completed at least 45 hours of training and are supervised by a Master's level mediator. The mediators are provided in-service workshops and conferences throughout the year. All training for the volunteers is donated to the program.

Kate Fitzpatrick, MSed, Program Coordinator

PLANNING BOARD REPORT 2003

In the year 2003, the Planning Board reviewed and approved two minor subdivisions, a lot line adjustment and one site-plan review. At the end of 2003 the Board was still in the process of reviewing two four-lot subdivision applications.

The Board approved the updated Master Plan on December 3, 2003. Copies of the Master Plan will be available in early 2004.

The Board also appointed Richard Whitcomb to fill the vacancy left when Tedd Petro was elected to the Board of Selectmen.

My thanks and appreciation to my fellow planning board members and to the citizens who offered their input for the updating of the Master Plan.

Respectfully submitted,
Bruce H. Kullgren, Sr., Chairman Planning Board

HOME HEALTH CARE, HOSPICE AND COMMUNITY SERVICES, INC.

January 1, 2003 to December 31, 2003

In 2003, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Temple. The following information represents a projection of HCS's activities in your community in 20031.

Service Report

Services Offered	*Services Provided*
Nursing	124 Visits
Physical Therapy	26 Visits
Medical Social Worker	5 Visits
Homemaker Hours	0 Hours
Home Health Aide	75 Visits
Home & Community Based Services*	4 Hours

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 26

Prenatal care, hospice services and regularly scheduled wellness clinics and child health clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2003 with all funding sources is $22,308.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your Town.

For 2004, we request an appropriation of $1,750.00 to continue to meet the home care needs of Temple residents.

Thank you for your consideration.

ANIMAL CONTROL OFFICERS REPORT

2003 was a slow year for the Animal Control Dept. Below is a list of most of the calls we handled.

Dog owners please take note, all dogs over the age of 4 months old must be licensed by April 30 each year RSA 466:1. The dog tag should be placed around the dogs neck. Not only will this help me when your dog gets lost, it's State law.

The library purchased 380 books and accepted the gift of 63 others. 255 items were removed from the collection mostly due to poor condition and obsolete information.

On June 1st we held Open House to present the new addition and final renovation of the two existing rooms. 48 visitors came for this occasion. We are especially pleased that this project has been achieved without the use of tax dollars.

Our summer reading program enrolled 25 children who read a total of 461 books. Prizes were awarded at a party held in August.

Additional shelves were added to the children's room so all of that collection could be together. We are concentrating on up-dating juvenile books during the coming year. We also have started a collection of DVD's.

We thank all who help us with time, money and gifts of materials. We welcome memorial donations.

We provide the following for public use: a computer with internet access, a copier, tax forms and 4 tickets to the Currier Museum.

Library Hours: Monday, Wednesday & Friday 1:30 - 5, Tuesday 10 - 12 & 1 - 5:30, Wednesday evening 7 - 9, and Saturday 2 - 5. Our phone number is 878-3100. Our email address is mansfield@tellink.net

This year we have added the TVFD roster to the Town Report. More important than all the equipment or trucks, volunteers are what make the Fire Department. Outstanding achievements of the volunteers include Nick Desmarias, Nancy Beringer and Rich Beringer earning their CDL B driver licenses. George Clark earned his Firefighter Level 1 certification. Curtis Dude, Mark Salisbury and Mike Connolly are finishing up Level 2 Firefighter Certification with the big test scheduled for February 2004.

Repairs to several automatic fire alarm systems in town greatly reduced call volume this year but Mother Nature kept us busy. In 2002 it was drought with smoke investigations and brush fires. In 2003 it was rain, snow and ice with downed power lines and automobile accidents. Most auto accidents this year were weather related. Please wear your seatbelts and slow down in bad weather.

All of the trucks performed well this year. The pumper and tanker passed baseline pump tests. The forestry truck received transfer case repair, a new oil pan and radiator. This truck is equipped for forestry use in summer and as a mini attack pumper in winter. The new tanker entered service in November. Very powerful, agile and user friendly, it worked extremely well at its first structure fire. We will work hard to see it gives Temple over thirty years of service.

The TVFD and Auxiliary still needs new members, especially for weekday calls. Made up of interesting, caring and motivated individuals, this team works year round to provide emergency fire and rescue response. Anyone with a few hours to spare a week can become a hero to someone dialing 911. The TVFD has some of the finest equipment of any area department. We are staffed by a small team of the finest people you will find anywhere. All that is missing is you.

William S. Wildes, Fire Chief

REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding area) is completely covered with snow. Violations of the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to $2,000 and/or a year in jail, in addition to the cost of suppressing the fire.

A new law effective January 1, 2003, prohibits residential trash burning. Contact New Hampshire Department of Environmental Services at (800) 498-6868 or www.des.state.nh.us for more information.

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and making sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at www.nhdfl.org or 271-2217 for wildland fire safety information.

TEMPLE POLICE DEPARTMENT
2003

As I look back on the year 2003, I find that we have had an increase in reported occurrences in several categories. The town is experiencing more commuter traffic than ever before. This has resulted in an increase in motor vehicle accidents. We received a speed-monitoring grant from the New Hampshire Highway Safety Agency. This grant helps to defer the cost of officers on speed enforcement patrols. The Police and Animal Control Officer have also noted an increase in wild animal complaints. There have been more bear and coyote complaints this year than usual, as well as an increase in domestic animal issues.

Another growing issue is the increase in OHRV (4-wheeler and dirt bikes) complaints. This will continue to be a concern, as this is one of the fastest growing sports in New Hampshire. The department will be sponsoring an OHRV Safety class in the spring, to educate both new and experienced OHRV operators about safety and legal issues involved in OHRV ownership and operation. The New Hampshire Fish and Game Department has appointed Mr. Mark Martin of Temple and myself as instructors so that we can offer this important class. We wish to thank the generous and concerned citizen of the town who donated a 4-wheeler and related equipment to be used by the Police Department for enforcement, training, and emergency purposes. The donation included a 4-wheeler, snow tracks, trailer and trailer hitch for the cruiser. This is a valuable tool now only for the Police Department, but also for the Fire Department and rescue services. The equipment has not cost the town any money; in fact it has generated some revenue, in the form of fines, of which a portion comes back to the town.

The Temple Police Department will continue to provide the best possible service. We have some of the best officers in the state, which when combined with your support, make our department a tremendous success. Thank you!

James H. McTague, Chief of Police

HIGHWAY DEPARTMENT

Summer :

The spring and summer of 2003 were fairly wet with a lot of wind. There were not any huge storms, but several small ones. Winter had come so early the previous fall that we were looking forward to getting an early start on the summer projects. That didn't happen as it was the middle of April before enough snow was gone to start grading roads. Things went quite well from then on. The following is a list of some of the extra projects that we did in addition to our regular maintenance:

- Widened a small section of West Rd. and installed 200' of underground drainage.
- Spread 330 ton of recycles asphalt product on Mud Rd. then sealed it.
- Spread 320 ton of recycles asphalt and gravel on East Rd.
- Installed 486' of underground drainage and spread approximately 580 ton of gravel on Peterborough Rd.
- Spread 640 ton of gravel on the west end of Howard Hill Rd., and because it was decided at town meeting not to pave Howard Hill, we spread 475 ton of hard pack gravel on it.
- Installed 160' of underground drainage and spread over 2000 ton of gravel on North Rd.
- Sealed and sanded the paved sections of East Rd., Colburn Rd., Hadley Hwy., and Boutwell Hill, plus several road entrance ramps.
- Helped the Conservation Commission clean up the old dump site on the Christopher Weston Conservation land.

The beaver population seems to be exploding around town. We have had more than our usual problems with them plugging up culverts and flooding roads.

We have decided that the bridge on West Rd. is the most important one in town in need of rebuilding. We've had an engineering company do a hydraulic study on the area where the bridge is located to determine the size that is needed. We plan to have it designed, put out for bids in 2004, then built in 2005. The New Hampshire Department of Transportation will reimburse the Town of Temple for 80% of the rebuilding and engineering costs.

Winter:
The past winter was indeed a long, cold, windy, snowy season. It started October 23, 2002 and continued on through March. The snow that came in October was still on the ground when spring finally arrived in April. The Federal Government declared the winter storm that came on February 17-18, dumping 26" of snow on us, a disaster. The forms were filled out, submitted, and we received $13,690.00 from the Federal Emergency Management Agency to help pay for our snow removal costs.

We thought that winter was coming right back at us on October 23, 2003 when it snowed several inches, but November warmed up again giving us time to finish all of our projects. December made up for it with back to back nor' easters on the 7th and 15th, then several wind and rain storms.

Respectfully submitted,
Timothy P. Fiske

CEMETERIES

The grass grew very well this past summer due to all of the rain we had. There was some tree damage from the heavy winds that came with the rains, but nothing too severe.

The ground around the stonewall in front of East Cemetery was dug up to try and determine what is causing the stones to move. Winter arrived and that project will have to be continued in the spring.

There was a lot of money left over in the Cemetery budget as you will notice. The plan of obtaining enough fill to finish off part of the new cemetery never materialized.

Respectfully submitted,
Timothy P. Fiske, Cemetery Supervisor

MINUTES TO TOWN MEETING
March 15, 2003

The Temple annual Town Meeting was called to order by Moderator Bruce Kullgren, Jr. at 10:30 a.m. at the Temple Elementary School.

An invocation was given by Reverend David Congdon. He mentioned John Dow stating that he lived his life well and it will take six people to fill his void. Reverend Congdon then offered a prayer.

Bruce Kantner and Debra Harling delivered a Thank You to Bob Frazier for all his hard work and service to the Town for the nine years he was selectman.

Article 1: Elected March 11, 2003

Article 13: Whereas, New Hampshire residents pay the 12th highest cost of insurance in the country; and

Whereas, the cost of health insurance premiums for families has increased by 45% over the past three years; and

Whereas, 100,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and

Whereas, due to the rising costs almost half of New Hampshire's small business cannot afford health coverage for their employees, therefore be it resolved

That we, the citizens of Temple, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

- Everyone, including the self-employed, unemployed, un- and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive:
- Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system:
- Everyone receives high quality care that is cost efficient and medically effective; and
- That these efforts help control the skyrocketing cost of health care. (By Petition)
- Article 13 Moved as written by: Michael Barrett
  Seconded by Allan Pickman

PASSED BY SHOW OF VOTER CARD 59 FOR 37 AGAINST

Article 14: To see if the town will vote to institute the Temple Rescue Squad within the Temple Volunteer Fire Department. (By Petition)
